5 Bedrooms

3 Bathrooms

2 Stories

2,550 sq ft

Nestled in West Seattle's Highland Park, this contemporary masterpiece boasts 2,550 sq ft. Revel in spacious living and panoramic city and mountain views. The home is bathed in natural light with vaulted ceilings, while the open kitchen and family room seamlessly extend to the newly sodded terraced backyard. Stylish finishes include pristine white Quartz countertops, sleek white cabinets and newer high end stainless steel kitchen appliances...

Open House

April 13th, 2024
